

Car Organizing Tips

- ☐ Use an over the door shoe organizer to fit on the back of a seat
- ☐ Add a small trash can so the garbage doesn't pile up in the car
- ☐ Use big carabiner clips to keep grocery bags where they belong
- ☐ Reuse small cases to organize phone cords and other small items
- ☐ organize reusable grocery bags in a plastic file tote box
- ☐ Store loose change in a recycled gum container
- ☐ Keep first aid kit and other items in a plastic container for quick access
- ☐ Keep an activity kit for the kids in the backseat pocket
- ☐ Keep your proof of insurance and registration in a folder for easy access
- ☐ Use under the seat storage to store important and cleaning supplies
