

Dear

I've been checking my list, and checking it twice.

Guess what? You've been extra nice!

The elves are busy in the workshop, making gifts for you.

But there's a problem. You have no room!

It won't be long before I'm on my way,
my sack filled with gifts on my sleigh.
To make some space, you must designate,
toys of yours to donate.

This will brighten another child's day,
because with your old toys they can play.
Plus you'll have room for new, fun gifts,
and EVERYONE will have a
MERRY CHRISTMAS!

Santa Claus
